BLANKET ADDITIONAL INSURED

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

A. Section II – Who Is An Insured is amended to include as an additional insured any person or organization for whom you are performing operations when you and such person or organization have agreed in a written contract or agreement that such person or organization is to be added as an additional insured on your policy. Such person or organization is an additional insured only with respect to “bodily injury or “property damage” caused by your negligence in the performance of your ongoing operations performed for that additional insured.

A person’s or organization’s status as an additional insured under this endorsement ends when your operations for that additional insured are completed.

To the extent required under said written contract or agreement, this policy will apply as primary insurance to additional insureds and other insurance which may be available to such additional insureds will be non-contributory. We waive our right of recovery against such additional insureds.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to:

1. “Bodily injury”, “property damage” or arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including but not limited to:
 - a. The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions,

reports, surveys, field orders, change orders or drawings and specifications; or

- b. Supervisory, inspection, architectural or engineering activities.

2. “Bodily injury” or “property damage” occurring after:

- a. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or

- b. That portion of “your work” out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

3. “Bodily injury”, “property damage” or occurring or commencing before execution of the written contract or agreement that requires such person or organization be added as an additional insured on your policy.

C. Definitions

“Ongoing operations” means operations not included in the “products-completed operations hazard.”

ALL OTHER TERMS AND CONDITIONS OF THIS POLICY REMAIN UNCHANGED.
